Penko Dinev

General Manager

IBM Ukraine

Biography

More than 25 year experience in the field of IT. Held a number of Senior Management positions in IBM, in different countries - Bulgaria, Russia, Austria, Ukraine. Leading IBM Ukraine since 2010. Besides professional duties, also member of the Board of Directors of America for Bulgaria Foundation. Previously was member of the Board of AmCham in Ukraine – 2014, 2015. Before that was serving as a President of AmCham in Bulgaria.

Why do you think Membership in the American Chamber of Commerce in Ukraine is important for business operating in Ukraine?

Participation in AmCham gives a solid ground for both international and local companies to unify their efforts in achieving a better business environment, promoting values of the civil society, that is governed by the rule of law, and at the same time it is a great chance for networking between different businesses.

What motivates you to be a Chamber Board Member?

I do believe, my professional and public experience will contribute more to the development and shaping of the most dynamic industry in Ukraine - IT.

Why do you feel you are qualified to serve on the Chamber Board?
What skills would you bring to the Board?

I have a broad knowledge of Ukraine business environment, complemented by the experience in serving as a Board member in other non-for-profit organizations, including my previous experience as President of AmCham in Bulgaria.

How have you been active in the Chamber over the course of the last two years?

I have actively participated over the last four years mainly in the work of the ICT committee, but also in other Chamber events/initiatives dedicated to the improvement of legislative and business environment in Ukraine.

What activity or Committee would you participate in and be responsible for?

I can participate in and be responsible for ICT committee.
