

YOUR FULL NAME:

Kira Rudik

YOUR JOB TITLE:

CEO

YOUR COMPANY:

Ring Ukraine

YOUR BRIEF BIOGRAPHY (250-300 words):

Kira Rudik is the CEO of Ring Ukraine, and General Manager of Ring Research, and Ring Community. She has built, and continues to develop, an innovative research and product development company, creating state-of-the-art smart home security systems. Thanks to her management skills, the company has grown from 3 to 700 people in a single year and continues to grow. This year, Ring Ukraine joined the friendly family of Amazon.

Kira, as CEO, is the heart of her team and an expert in people management. Her skillful day-to-day administration and smooth operation of the business creates a unique atmosphere in the teams we are managing.

Her expertise, gained in the roles of Project management, Head of Project Management and Co-Founder of several business projects, confers upon her a deep understanding of project and people needs, and her experience in managing quality assurance processes at large gives her the perfect understanding of all project stages.

Academic Education:

Kira obtained her Master's Degree in computer science at the National University "Kyiv-Mohyla Academy," a top 10 academic university in Ukraine.

Additional education:

Executive Program for Women Leaders, Stanford Business School – 2018.

ANSWER THE FOLLOWING QUESTIONS:

Why do you think membership in the American Chamber of Commerce is important for business operating in Ukraine?

Any business around the world can only develop and grow when there are clear rules established both by the market and government. ACC is the organization that allows businesses not only to share their experience, but also to communicate their pain points and cooperate to establish a new economical ecosystem, to demolish old dogmas and build strong and independent society.

What motivates you to be a Chamber Board Member?

I want to have the opportunity to advocate transparent rules and fair play to the Ukrainian government and promote the Ukrainian business in the eyes of Global business leaders and make the latter invest in Ukraine.

Why do you feel you are qualified to serve on the Chamber Board? What skills would you bring to the Board?

I have built a successful IT company in 2 years and I am bringing in the IT approach: fast, smart and visionary. I am highly motivated to make a contribution, I have the business experience and enough passion to do great things with the Board members.

How have you been active in the Chamber over the course of the last two years?

Our company has been a member of ACC for 2 years. We are actively involved in various ACC activities on different levels.

What activity or Committee would you participate in and be responsible for?

IT Committee
