ANSWER THE FOLLOWING QUESTIONS:

Why do you think membership in the American Chamber of Commerce is important for business operating in Ukraine?

The AmCham is a positive driver of change in business environment for the benefit of Ukraine. They maintain constant dialog with Government authorities for the benefit of business community and plays an important role to improve investment climate and economy policy. In addition, AmCham is an excellent platform for exchange of information and finding new business contacts and not only.

What motivates you to be a Chamber Board Member?

I see all strength of the AmCham to promote its Members agenda for the business environment improvement in Ukraine. Despite many different industries are represented by the AmCham, still many challenges are similar. So there is an opportunity to combine our strengths together to reach our goals. I think that my expertise and experience will help the AmCham to move the agenda forward and reach great success.

Why do you feel you are qualified to serve on the Chamber Board? What skills would you bring to the Board?

As a have already serve as a Head of the AmCham Working Group on Agricultural Machinery, I actively participate in the activities of the Working Group. That is why I have strong understanding on AmCham policy and how it works. In addition, I have a huge experience in agricultural sector as well as work with government stakeholders in particular on issues related to agricultural machinery. I am sure that my background will help to achieve new heights and I will show myself as an effective and active Board Member.

How have you been active in the Chamber over the course of the last two years?

I have served as a Head of the AmCham Working Group on Agricultural Machinery since it has been launched. Meanwhile, John Deere has been a longstanding Member of the AmCham, strong supporter and sponsor of its activities and I hope to continue supporting and promoting AmCham activities as a Board Member.

What activity or Committee would you participate in and be responsible for?

I plan to continue my role as Head of the AmCham Working Group on Agricultural Machinery and I could also be responsible for Agricultural Committee.
