ANSWER THE FOLLOWING QUESTIONS:

Why do you think membership in the American Chamber of Commerce is important for business operating in Ukraine?

Cybersecurity trend is rising now as well as cyber threats. Our company appreciates cooperation with the ACC board and members in particular in order to share and implement the best business practices in Ukraine.

What motivates you to be a Chamber Board Member?

Opportunity to develop networking, educate and increase cybersecurity awareness among Ukrainian companies.

Why do you feel you are qualified to serve on the Chamber Board? What skills would you bring to the Board?

Cyber incidents are 2nd most important business risk after business interruption (BI.) Cyber incidents are the most feared BI trigger for the first time. BI is also the main cause of economic loss for businesses after a cyber incident. As far as I have a deep expertise in cybersecurity, I could bring an additional value to the ACC Chamber Board.

How have you been active in the Chamber over the course of the last two years?

I enjoyed visiting different events on regular basis.

What activity or Committee would you participate in and be responsible for?

Our company is represented in IT Committee already and we would appreciate to join the Cybersecurity and Data Protection working groups as well.
