ANSWER THE FOLLOWING QUESTIONS:

Why do you think membership in the American Chamber of Commerce is important for businesses operating in Ukraine?

I am sure ACC should never stop developing and leading business in Ukraine. ACC takes active position in many areas. Now that Ukraine's experiencing hard times the business community needs to get consolidated even stronger in order to demonstrate its power as a game changer. Business community should stay together and keep strong positions to empower ACC for further success.

What motivates you to be the Chamber Board Member?

ACC Board manages the strategy of ACC activities. It's a privilege to become a member of one of the biggest leading communities of business operating in Ukraine and its strategic decision-making community particularly. I am confident that together with other professional leaders from different spheres we'll be able to strengthen our efforts to lead the business community, contribute to Ukraine's development and to improving business environment in Ukraine. Ukraine's experiencing Russia's aggression and the war but at the same time it gets opportunities for faster reforming processes due to the EU accession prospects. We need to help to the Ukraine's Government to take advantage of these opportunities and facilitate the country's progress. I believe the team of ACC Board members will be a strong force to advocate ACC community positions, keep an engaging dialogue with state authorities and move Ukraine's business development forward.

Why do you feel you are qualified to serve on the Chamber Board? What skills would you bring to the Board?

Need to mention, being an active leader striving for business success and development I've been also investing my leadership skills and experience to support the EBA Health Care Committee activities serving as the HCC Board member since 2018. Thus, the role made me even more knowledgeable and experienced in all healthcare-related topical issues, the overall healthcare reforming process and state authorities' interactions to advocate and drive the reforming forward. I'm aimed at bringing value to the health care support specifically.

How have you been active in the Chamber over the course of the last two years?

My team and I have enjoyed participation in ACC activities over last 1.5 years of AstraZeneca membership and we intend to continue our involvement. In particular, our participation in the Health Care Committee's activities over the last 1.5 years has demonstrated active involvement in all relevant reforming and development processes. In autumn 2023 AstraZeneca GR and MA Manager has been elected as one of the Co-Chairs for the ACC Health Care Committee.

What activity or Committee would you participate in and be responsible for?

Health Care Committee - healthcare sphere including medical and pharmaceutical area development in Ukraine

Are you a member of the Board of Directors of similar associations?

No.
