ANSWER THE FOLLOWING QUESTIONS:

Why do you think membership in the American Chamber of Commerce is important for businesses operating in Ukraine?

The membership creates an opportunity to address the business needs and requirements in the alignment manner for the companies representing US, supports relationships with the government and industry representatives and addressing the common goal, helps to understand the current and future state of the market. Creates a direct way to influence the way Ukrainian economy and supporting policies are being addressed.

What motivates you to be the Chamber Board Member?

AmCham Ukraine is one of the most efficient organizations I have seen in my career, with a high rate of potential impact on the operating environment for the US companies – I want to be part of the leadership team that leverages AmCham’s importance even more – for the positive outcome of Ukraine as a country supporting American investments and sustained business.

Why do you feel you are qualified to serve on the Chamber Board? What skills would you bring to the Board?

I have extensive experience (20+ years) working with various stakeholders, both internal and external, in leadership capacity. Leading other leaders is my core competence. Other competencies are: strategic thinking, building relationships, business acumen and cultural leadership. Overall, I have been working with selected government representatives for Ukraine in the last months.

How have you been active in the Chamber over the course of the last two years?

Yes – in the last 4 months since I have taken over the role of Managing Director for Ukraine.

What activity or Committee would you participate in and be responsible for?

Defense and Security council or Human Capital council.

Are you a member of the Board of Directors of similar associations?

No
