**YOUR BRIEF BIOGRAPHY (250-300 words):**

I am a Ukrainian public affairs and strategic communications leader with over ten years of experience across government, international organizations, and business. I hold Bachelor's and Master's degrees in International Law from the Institute of International Relations at Taras Shevchenko National University of Kyiv, complemented by training in public finance reform.

I began my career in the judiciary, including work at the Supreme Court of Ukraine, which provided a strong understanding of governance and regulatory processes. I later served as Press Secretary at the Ministry of

Infrastructure of Ukraine and in the Office of the President, leading communications on economic reform, investment attraction, and infrastructure development. I also worked with the National Investment Council, coordinating engagement between policymakers and international investors.

In the private sector, I was part of the executive team of one of Ukraine's largest FMCG companies, responsible for external communications, international partnerships, ESG initiatives, and product launches in foreign markets, including across the EU.

For the past three years, I have been with The Coca-Cola Company. I currently serve as Acting General Director for Ukraine, on top of my role as Public Affairs, Communications, and Sustainability Director for Ukraine and Moldova. Leading the company during wartime has reinforced my belief in the role of responsible business in supporting both the economy and communities. I am particularly motivated by initiatives that build resilience, foster partnerships, and create tangible impact for society.

I am confident that my cross-sector experience, focus on partnerships, and commitment to responsible business will enable me to contribute effectively to the Chamber Board of Directors and support its strategic goals.
